

TOP FIVE REASONS TO GET SCREENED

5. YOU ENJOY GETTING YOUR PICTURE TAKEN!—WHY NOT SEE IF THIS REALLY IS YOUR GOOD SIDE?

4. COLON CANCER IS THE THIRD DEADLIEST CANCER, SO YOU'RE TAKING A STAND TO FIGHT IT.

3. DOCTORS RECOMMEND THIS METHOD WAY MORE THAN "JUST WAITING TO SEE WHAT HAPPENS."

2. IF SOMETHING IS FOUND DURING YOUR SCREENING, IT CAN BE REMOVED DURING THE PROCEDURE.

AND THE NUMBER 1 REASON TO GET SCREENED IS...

IT'S YOUR BEST CHANCE TO STOP COLON CANCER BEFORE IT STOPS YOU.

Reminder from
your physician:

It's time to get screened.

Colon cancer is 90% preventable
with regular screenings, which
can detect and prevent cancer
at the same time!
